

MPS Family Advocate

Is your student facing disciplinary action?

MPS has a family advocate you may contact for additional support and assistance during the process. You may meet with our advocate before your hearing to gain a better understanding of what to expect, but it is not required.

Available Areas of Support

- ▶ Serve as a parent representative at discipline hearings to help families clearly understand the process.
- ▶ Meet with parents and students to serve as a liaison to the appropriate school personnel to resolve issues and concerns.
- ▶ Connect families with district and community resources to support student achievement and behavior interventions.
- ▶ Effectively communicate state statutes and district policies to families.
- ▶ Work with independent hearing officers on expulsions and reinstatements, ensuring that appropriate educational services are provided.

STRATEGIC PARTNERSHIPS & CUSTOMER SERVICE

For more information, please contact Kimberly Wood, MPS Family Advocacy Coordinator, at woodkj2@milwaukee.k12.wi.us or (414) 475-8318.
