

Hi Engleburg Families,

We're excited to share that our Little Community Pantry is now up and running in the school lobby! This pantry is a way for our school community to support one another — families are welcome to take what they need and give what they can.

We know that many families have felt the impact of recent SNAP benefit cuts, and we also know that full bellies help our students learn best. That's why we want to make sure everyone has access to nonperishable food items right here at school.

If you'd like to help, donations of canned goods, pasta, rice, cereal, peanut butter, and other shelf-stable items are always appreciated. You can drop off donations in the main office or place them directly in the pantry in the lobby.

If your student is a bus rider and you're unable to make it up to school, please send a message or contact the office — we'll gladly send a bag of food home in your student's backpack.

Please remember — this pantry is for everyone, so only take what your family needs and share what you're able.

Thank you for helping us keep our Engleburg community strong and cared for!
