SPECIAL EDUCATION FAMILY NIGHT

interest survey

We're excited to share that we're planning our first Special Education Family Night, with the hope of making this a monthly opportunity to connect, learn, and support our families. Our goal is to host events that feel helpful, practical, and relevant to your real-life questions and needs.

To help make these evenings as accessible and meaningful as possible, we plan to provide dinner and childcare during the event. Childcare will be provided by trusted school staff your child already knows, so parents can feel comfortable and make the most of this opportunity.

The planned dates for the rest of the school year are:

- Wednesday, February 25th | 5–7 PM
- Wednesday, March 25th | 5–7 PM
- Wednesday, April 29th | 5–7 PM
- Wednesday, May 27th | 5–7 PM

To ensure we're planning topics and formats that matter most to you, we'd love your input. This short Google Form will help guide what we offer during future family nights. Your feedback is incredibly valuable and will directly shape how these evenings look moving forward.

Thank you for taking a few minutes to share your thoughts—we truly appreciate your partnership and support.

MPS wants every child to have access to education and all families to feel safe supporting their children's education needs. We want to ensure that students continue to attend school daily and that families feel safe in attending school events and communicating with school personnel.

MPS Staff are trained to:

- Maintain the privacy of every student and family with regard to immigration status.
- Protect information about students or family members and not share with others.
- Direct any questions or requests for documentation from immigration officials to appropriate staff at MPS Central Services.
