Monday, April 6, 2026**

Families And Schools Together

What is F.A.S.T? Families and Schools Together

Engleburg Elementary School is excited to announce we will be hosting our Fall semester ***F.A.S.T. Program***. We will start Tuesday, April 7, 2026. The purpose of this program is to bridge the gap between the parents, school, and the community. This is a 8-week program that will be held once a week from 4:45 - 7:30 p.m. The entire family is encouraged to participate. Upon graduating, we will have monthly ***FASTWORKS*** events with all graduated families from previous sessions.

What does the program offer?

- **A family meal**
- **Fun activities for the ENTIRE family to enjoy**
- **Games**
- **Parent groups**
- **Playtime for the kids**
- **Promotes unity**
- **Resources for the parents**
- **A Raffle basket full of prizes for your family**
- **Graduation upon completion of the program**
- **Most importantly an opportunity for parent to enjoy family time with their entire family**

The Engleburg F.A.S.T. team is excited to participate in this awesome program that caters specifically to our families. We look forward to you joining us. If your have any questions or would like more information please feel free to contact Mrs. Collins, F.A.S.T. Coordinator at 414-616-5600.

Forward Exam

2025-26 Information for Families

What is the Wisconsin Forward Exam?

The Wisconsin Forward Exam is designed to gauge how well students are doing in relation to the Wisconsin Academic Standards. These standards outline what students should know and be able to do, in order to meet grade level expectations and be on track for future learning. The Forward Exam is administered online in the spring of each school year for students in:

- grades 3-8 in English language arts (ELA) and mathematics,
- grades 4 and 8 in science, and
- grades 4, 8, and 10 in social studies.

Accommodations and supports for students with disabilities and English learners are built into the system so that the progress of students can be accurately measured.

What does this mean for my child?

The Forward Exam is a summative assessment that provides a broad measure of your child's achievement in the content areas tested. The results provide one measure of achievement and should be used along with local measures

such as report cards, school-wide assessments, and other information about your child's progress in school.

When does the Forward Exam take place?

The Forward Exam will be given to students in schools between March 16 and April 24, 2026. Districts and schools choose their own testing dates within this window.

The estimated time for test administration in each grade is approximately:

- 125 minutes for ELA,
- 90-115 minutes for mathematics,
- 105 minutes for science, and
- 70 minutes for social studies.

These estimated times are for the purpose of scheduling, as the Forward Exam is not a timed test. It is important to note that students may take more time or less time to complete the test based on effort and ability levels.

What type of scores will be provided?

Students receive a score based on their performance in each content area. Each score will fall in one of four levels:

Advanced - The student demonstrates a thorough understanding of the knowledge and skills described in the Wisconsin Academic Standards for their grade level and is on-track for future learning.

Meeting - The student is meeting the knowledge and skill expectations described in the Wisconsin Academic Standards for their grade-level and is on-track for future learning.

Approaching - The student is approaching the knowledge and skill expectations described in the Wisconsin Academic Standards for their grade-level needed to be on-track for future learning.

Developing - The student is at the beginning stages of developing the knowledge and skills described in the Wisconsin Academic Standards at their grade-level needed to be on-track for future learning.

Where can I find sample or practice test questions?

The Forward Exam Practice Test provides students, families, and educators, with a sample of the type of content and questions students will encounter on the Forward Exam. Students should use the Practice Test to familiarize themselves with the question formats and online testing platform, including

the tools available to them during testing. The Practice Test is not scored and does not cover the full range of content on the exam. The Practice Test is approximately two-thirds the length of the actual Forward Exam and is intended to provide all students with the opportunity to become comfortable with the Forward Exam platform prior to testing.

The Forward Exam Practice Test is available for student use online, in the classroom or at home at <http://dpi.wi.gov/assessment/forward/sample-items>.

For more information about the Forward Exam contact the Office of Educational Accountability at osamail@dpi.wi.gov or visit <https://dpi.wi.gov/assessment/forward>.

WISCONSIN DEPARTMENT OF
Public Instruction

Tuesday, March 24th

Wednesday, March 25th

Tuesday, April 7th

Wednesday, April 8th

Thursday, April 9th

***** Please, make sure your child gets a good night's rest and is on time for breakfast before we start testing! *****

March 13, 2026

Dear Parents and Guardians,

We are writing to inform you that our school has recently been notified of an increase in students experiencing illness, including confirmed cases of RSV, pneumonia, strep throat, influenza, and norovirus.

To ensure the safety and health of our school community, we are asking for your cooperation in preventing the further spread of these infections. Please keep your student home if they are exhibiting any symptoms, including fever, coughing, diarrhea, vomiting, or significant fatigue.

Guidelines for Returning to School:

- **Fever:** Students must be fever-free for **24 hours without the use of fever-reducing medication** (e.g., Tylenol, Advil) before returning to school.
- **Vomiting/Diarrhea:** Students should stay home for at least 24 hours after the last episode of vomiting or diarrhea.
- **Respiratory Illness:** Students with symptoms of RSV or pneumonia (cough, congestion, fever) should remain home until symptoms have significantly improved and they are fever-free for 24 hours.

Prevention Steps:

We are taking measures to increase sanitization at the school. We ask that you reinforce the following habits at home:

- Wash hands frequently with soap and water for at least 20 seconds, especially after using the restroom and before eating.
- Cover coughs and sneezes with a tissue or inside the elbow.
- Monitor your student for symptoms daily.

If your child is diagnosed with one of these illnesses, please notify the school office. Thank you for your support in keeping our staff and students safe and healthy.

Sincerely,

Christine Scott, RN, BSN

School Nurse
