

# Welcome Families!

Spring 2025

We are very excited to work with your fourth grader this upcoming school year! We will have a lot of fun while we learn many things in all subject areas. As we improve our math, reading and reasoning skills, we will strengthen our classroom and local community in many ways. We will have many interesting learning opportunities, field trips & projects. We look forward to seeing you for Open House and on September 2nd, the first day of school.

## **4th Grade Supply List**

We will share some supplies – students should label supplies they want to use solely with **their name**. Please consider having a similar set of supplies for use at home.
