

Breakfast with Santa, Unity leadership team (FLO meet every 3rd Monday of every month for 1 hour)

PARENT AND FAMILY RESPONSIBILITIES: We, as families, will support students and school staff by working to meet the MPS standards of family and community engagement to partner and support student learning. We will implement the following strategies to reach parents and families this year.

- Communicating to your child that you and the school district expect high academic achievement and that you believe in his/her ability to achieve academically.
- Ensuring that your child attends school daily and arrives on time. You must provide explanations for absences and tardiness in writing, via electronic form, or any other method of personal contact of which a record is kept by the school.
- Informing the school when you change address (verification required), telephone number, or emergency contact information.
- Ensuring that your child has all health immunizations as required by law.
- Attending parent conferences and participating in parent organizations at the school. All MPS parents should obtain an Infinite Campus Parent Portal account. The Parent Portal allows 24-hour online access to your child's school records (see Parent Portal).
- Providing a home environment that allows your child to study and supports his/her academic performance and behavior in school.
- Knowing the discipline guidelines as stated in this handbook and the guidelines of your child's school. Discuss discipline with your child and encourage positive behavior.
- Conducting yourself in a respectful manner at school.

Our families will have the tools and knowledge needed to be active in our child's education.
