## SECTION 1: INTRODUCTION

### From the Principal

Greetings WCLL Students and Families,

It is truly a pleasure to serve as your Instructional Leader for the 2025–2026 school year. I bring with me the essence of WCLL—Lifelong Learning. Over my 35 years of serving the students, families, and staff of MPS, I have learned that every day is a new beginning filled with joy, hope, and promise. With that spirit, we are excited to welcome both new and returning students and families to WCLL!

Our dedicated staff have been preparing engaging and rigorous learning experiences to ensure a productive and enjoyable school year. Our curriculum offers a wide variety of enriching programs with student-centered support, including Art, Library Media, PE/Health, Music, Foreign Language, Service Learning, Career and College Tours, and Learning Journeys - all designed to engage students in meaningful and diverse learning opportunities. If your child needs additional help, we also offer tutoring and credit recovery programs throughout the year.

We value open communication between home and school, so please do not hesitate to contact us with any questions, concerns, or feedback. Regular attendance is crucial for academic success; please ensure your child attends school every day and arrives on time. If your child is absent or tardy, please call the main office before 8:30 a.m. For detailed policies on excused absences and tardies, please reach out to our School Social Worker.

We are laser-focused on improving academic outcomes for all students, and we need our parents and caregivers to partner with us. Please encourage your child to read at least 30 minutes daily and to complete and return all assigned homework each week. We look forward to a fantastic school year filled with growth, learning, and success for every student. Thank you for your ongoing support and partnership in your child's education.

Sincerely,

*Z. Walker*, Ed.D.

Instructional Leader

### Student Entry Procedures

Students arrive at school at **7:45 a.m.** Students enter **Exit 7 (grades 6-12)** and **doors (grades K4-5)**

**Exit 7**

### Student Dismissal Procedures

The school day ends for students at **3.25 p.m.**

## **Arrival and Dismissal Procedures**

Safety is our top priority during arrival and dismissal from school. To ensure every child is safe teachers, safety assistants, and school administration are assigned to monitor areas to escort students safely on and off the school grounds. Please review procedures daily if needed. If changes to the arrival and dismissal procedures are made, parents and guardians will be notified in writing.

Please speak with your child(ren) about not crossing the street to go buy snacks and drinks at the BP gas station on Highland Avenue upon arrival and dismissal from school. It is not safe. Highland Avenue traffic is very busy in the morning before and after school. All students must unload from the school buses and enter the building through the proper school entrances so they can eat breakfast and get to class on time.

Start/End times for Grades K4-12 (8:00 a.m. – 3:25 p.m.). Our school's procedures are, first and foremost, designed to ensure the safety and well-being of your child(ren). We need your cooperation, assistance, and support to ensure the safety of our students, especially during arrival and dismissal.

### **Bus Transportation**

All school buses drop off and pick up students on Highland Avenue. At dismissal, the eldest siblings can meet their younger siblings on Highland Avenue. Students in grades K4-8 are escorted at dismissal by their teachers. However, younger siblings (K4-5) will have boarded buses a few minutes after 3:23 p.m. with assistance by their grade level teachers and safety assistants. Elder siblings in grades 9-12 are dismissed at 3:25 p.m. and will board buses at that time. School buses leave the school from Highland Avenue at 3:32 p.m.

As a reminder, students are not permitted to enter or exit the school building through the Faculty and Staff entrance (Exit 8), by the teacher's parking lot. Students must enter the building through the exit doors designated for students on Highland Avenue and 12<sup>th</sup> Street.

### **Parent Drop-off and Pick -Up**

Parents should drop their children off on the corner of 12th Street, in front of school before 8:00 a.m. High school students should enter through Exit 5 (12<sup>th</sup> Street) and students in grades K4-8 will enter through Exit 7 (Highland Avenue). All students late to school, arriving after 8:15 a.m., must enter the front doors on 12th Street.

At dismissal, students will exit through the Exit 5 doors on 12<sup>th</sup> Street. Parents who pick up children are not permitted to park in the bus zone on Highland Avenue at arrival or dismissal times. Please park in front of the school on 12th Street.

### **Walkers**

High school students who walk to school must enter through Exit 5 (12<sup>th</sup> Street). Students in grades K4-8 must enter through Exit 7 (Highland Avenue) before 8:00 a.m. All students arriving to school after 8:30 a.m. must enter the front doors on 12<sup>th</sup> Street. Upon dismissal students who walk to school must exit the building through Exit 5 doors, not Exit 1.

## **Early Parent-Pick Up/Dismissal Procedure**

If a parent/guardian needs to pick their child/children before dismissal times, please call the Attendance Office at (414) 304-6800 **before 12 Noon**. Calling ahead of time provides an opportunity for the Attendance Secretary to prepare to dismiss students from class. If you do not follow this procedure, it causes disruption during the educational process. We do not want to interrupt classes by calling student names over the PA system.

The parent/guardian will come to the school and enter through the front door. Sign in at the Safety desk, and the safety assistant will direct you to the Main Office. Only the parent/guardian (or designated person who is listed on the emergency contact list in Infinite Campus) will be able to pick up students from school. As a precautionary measure, you may be requested to present a photo ID.

## **Before- and After-School Programs**

After-school programs provide students with a safe, supportive environment during out-of-school time. These programs offer engaging academic and recreational enrichment activities, homework assistance, and exposure to STEM (science, technology, engineering, math) programming, reading enrichment, art, music, and dance. Students are also given healthy snacks and meals.

Our school does not currently operate a **Community Learning Center, /Safe Place, or Child Care Camp**. We currently have high school and elementary athletic opportunities for our students. Please contact our Athletic Director Ms. Odom for a copy of our current athletic programs.

## Parking

Parking guidelines:

- To ensure the safety of all students, please avoid double parking, which causes heavy traffic congestion and is unsafe.
- The school is not responsible if a parking ticket is issued to a parent.
- We need to respect the rights of neighbors and not park in front of their driveways.
- The school parking lot is restricted and not open to the public.

Families Park on 12<sup>th</sup> Street.

## Student Attendance/Tardiness

Reference: *Parent/Student Handbook on Rights, Responsibilities, and Discipline*

Attendance is the most important factor that impacts student academic growth. Students are expected to be in school each day and on time for opening learning activities and instruction. Students arriving late must **report to the main office** for a tardy slip.

When a student is absent, parents must call the **School Attendance Line at (414) 304-6800, press 1 or send a written excuse within two days of the absence**. Excessive absences and tardiness will result in a referral to the school social worker and may result in a referral to the district attorney, which could result in a court hearing and fines.

Students must attend the full school day. Appointments and vacations should be scheduled on non-school days as often as possible. In the event of a rare need to remove a child before the end of the school day, students must check out in the office by reporting to Ms. Anderson, Attendance Office to sign out and meet the guardian who is approved to remove the child from school.

## Transportation Policies

*Walk-to-Stop Distance:*

- **Elementary school (K3, K4, and K5)** – Riders will be picked up at the closest safe corner location to their residence and dropped off at that same location at the end of the school day.
- **Elementary school (grades 1–8)** – Riders may be required to walk up to a quarter mile to a corner stop.
- **Middle school** – Riders may be required to walk up to a half mile to a corner stop.
- **High school** – Riders may be required to walk up to one mile to a bus stop.

***Assigned Bus Stops and Routes:***

Students may board and leave only on the specified route and at the stop to which they are assigned.

***Corner Stops:***

Pick-up and drop-off sites for regular riders are at corner stops. **Riders should be at their assigned corner stop 10 minutes prior to the scheduled pick-up time. A student should wait at least 10 minutes past the pick-up time before returning home to inquire about a late bus.**

***Inclement Weather:***

Traffic delays are to be expected on days of inclement weather. Please be sure that your child is dressed appropriately.

***Address Changes:***

**When a child moves and there is no existing bus service from the new address**, every effort will be made to adjust the route to allow the child to continue at the present school. If the child attends elementary school, **the new address must be in the same transportation region as the school of attendance in order for the child to receive transportation. Parents are reminded that it can take up to two weeks to adjust bus service. Parents should notify the child’s school of the change of address before the move takes place.**

## MPS Family and Community Engagement Framework

Families play a vital role in the education of their children. Milwaukee Public Schools provides tools for engagement between families and staff to be equal partners in supporting student achievement and school improvement. When families and schools work together, students are more successful and the entire community benefits. All schools are working to meet the Six Standards of Family and Community Engagement:

### Family–School Compact (also referred to as School–Parent Compact)

Each Title I school jointly develops with parents a Family–School Compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the way in which the school and parents will build and develop a partnership to help children achieve the state's high standards. Parent coordinators should ensure that the school leader has this template available so that the school leader may create the Family–School Compact at the school's annual Title I meeting or shortly after. This compact will serve as the school's family and community engagement action plan for the year. A template, including detailed information on how to create and use this Family–School Compact, is available on mConnect at Departments > Strategic Partnerships and Customer Service > Family and Community Engagement.

**The parent’s responsibility:**

- WCLL's parents agree to make sure that their child(ren) will attend school daily, be on time each morning, have necessary supplies and be ready to learn every day.
- WCLL's parents agree to notify the school of any absences.
- WCLL's parents will monitor their child/ren's homework and provide a place for studying and work completion.
- WCLL's parents will be active participants in their child(ren) education by attending parent/teacher conferences, volunteering in the classroom at least once during the school year and attending at least one parent/student workshop opportunity thereby reinforcing that home and school are connected and are imperative for success.

**Parent Signature:** \_\_\_\_\_

**The student’s responsibility:**

- WCLL students will attend school on a daily basis and be on time each morning and ready to learn.
- WCLL students will ensure that their parents are knowledgeable about what’s going on at school and will take an active role in assisting communication between home and school.
- WCLL students will come to school every day with all necessary supplies.
- WCLL students will abide by the school and classroom behavioral expectations as noted in the school handbook.
- WCLL students will treat peers and staff with the same respect they expect to be treated with themselves.
- WCLL students will complete all class and homework assignments to prepare them for their future academic pursuits.

**Student Signature:** \_\_\_\_\_

As an administrator, I pledge to:

Provide instructional leadership, be visible, and observe teaching/learning. Provide a safe learning environment. Communicate with students, parents, and staff. Enforce rules and consequences consistently and fairly.

**Administrator Signature:** \_\_\_\_\_

**Open House**

Open house is held twice a year; dates and times will be announced.

**Parent–Teacher Conferences**

It is important that all parents/guardians attend parent–teacher conferences. Research indicates that parental involvement impacts and increases student achievement. Our school welcomes all parents to participate in parent–teacher conferences. **These will be held in the fall and in the spring. Dates, times, format, and information will be announced.**

### **Rights of Noncustodial Parents**

If you are a noncustodial parent, you have the same rights to student records, progress reports, school mailings, school visits, and parent–teacher conferences as a custodial parent unless a court order restricts such rights. If a court order is in place, the custodial parent must provide a copy to the school principal. It is the responsibility of noncustodial parent, if desired, to give the school their address and contact information, to request to be consulted in matters regarding their child, and to be placed on school mailing lists. Only the custodial parent/legal guardian can remove a child from school or give permission for the child to be removed from school by another adult.

### **Rights of Foster Parents**

As a foster parent, you have many of the same rights as biological parents or legal guardians for the duration of the child’s placement in your home. In some cases, however, these rights are restricted by law. One such case is the authorization of an individualized education program (IEP) evaluation for the child. A foster parent cannot authorize an IEP evaluation unless all attempts to contact the biological parent or legal guardian have failed or the biological parents’ rights have been terminated. In addition, foster parents generally cannot change a student’s school placement. Contact the Department of Student Services for details.

### **Family Volunteers**

Persons interested in volunteering are encouraged to follow the appropriate volunteer application process defined by the district. MPS defines a volunteer as a person who provides services on an ongoing or one-time basis. Persons looking to serve on an ongoing basis or for more than five hours a week or for an overnight field trip must complete an online volunteer application, pass a criminal background check (for those 18 years of age or older), and receive a volunteer assignment by the school administrator or parent coordinator. Persons looking to participate in a daytime field trip or other one-time activity must complete a volunteer waiver form. The online volunteer application and the volunteer waiver form are available on the MPS website under the *Families* tab > Volunteer.

### **School Engagement Council**

The purpose of the School Engagement Council is to provide a forum for parents, teachers, community members, students, and principals to work together in providing continued analysis and improvement of public-school policies, curriculum, and school improvement plan. The council’s decision-making authority is advisory with respect to all duties, powers, and responsibilities, with the sole exception of the council’s authority and responsibility to submit a signature page with its school’s annual budget and the school’s annual school improvement plan. Council participation is on a voluntary basis via a school-based election process. The council is not intended to replace a parent organization.

### **Title I: District Advisory Council**

In accordance with the Elementary and Secondary Education Act (Section 1118) and the Wisconsin Department of Public Instruction Title I Parent and Family Engagement guidelines, Milwaukee Public Schools established the District Advisory Council as a means to ensure the opportunity for parents of all students to share their ideas on the needs of children, assist in the planning and operation of Title I programs for children, and participate in evaluating the success of Title I efforts. Our school is required to have two parent delegates. If you are interested in representing our school in this area, please contact the school administrator or visit the MPS website under the *Families* tab > District Advisory Council for more information. The Department of Strategic Partnerships and Customer Service is responsible for the oversight of all District Advisory Council functions. Strategic Partnerships and Customer Service is in room 131 of the Central Services building.

### **Handling of Discipline**

In accordance with Administrative Policy 8.28: Student Discipline, administration must provide documentation of suspension prior to suspension beginning, and all efforts to contact the family must take place. If your child has been suspended and you have not received documentation, please contact the school's administration.

If you have any concerns about how discipline is handled with your child after a behavior incident occurs, please contact school administration. If you are not satisfied with the school-based resolution, please contact [mpsmke.com/parentconcerns](http://mpsmke.com/parentconcerns).

### **Complaints/Disagreements with Schools**

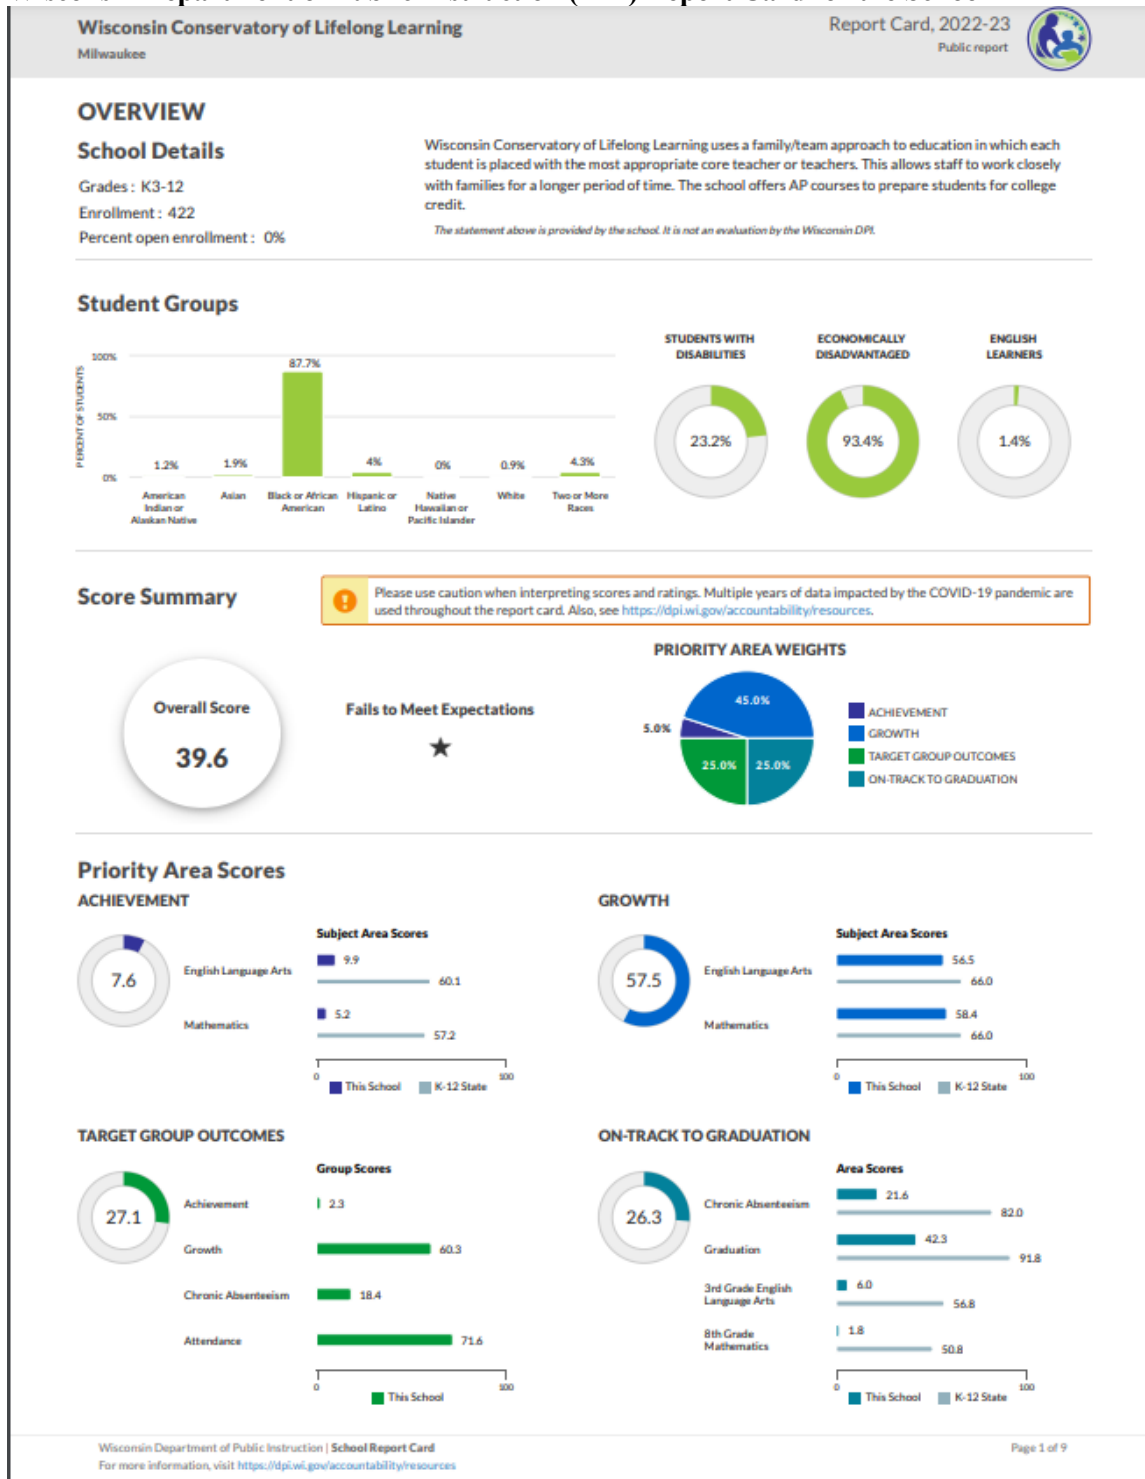

How to resolve regular education complaints/disagreements with schools: MPS wants to help parents and families find solutions when there is a problem or disagreement about their child's education. The process is called "dispute resolution." By working in partnership with your child's school, parents and school staff can quickly find solutions. All MPS staff members working on complaints are required to keep information confidential.

<b>STEP 1</b>	
<i>Where should I start my complaint?</i>	Contact the school principal or leader. You may make a verbal or written complaint. An attempt will be made to address the complaint within five business days. If the school leader cannot address the complaint within five days, the school leader should inform the parent and resolve the issue expeditiously.
<b>STEP 2</b>	
<i>What if I am not satisfied with the school-based resolution?</i>	You can file a complaint online at <a href="http://mpsmke.com/parentconcerns">mpsmke.com/parentconcerns</a> . Once filed, the complaint will be directed to a designated MPS employee who will investigate and follow up with the problem.
<b>STEP 3</b>	
<i>What if I am not satisfied with the resolution of my complaint by the school or other personnel?</i>	You can contact the Office of Board Governance with a written complaint at <a href="mailto:governance@milwaukee.k12.wi.us">governance@milwaukee.k12.wi.us</a> or call (414) 475-8284.

If a complaint has already had an attempted resolution at Steps 1 and 2 of this process, and now the complaint is with district policies, or a family member believes that policy has not been followed in the resolution, then the Office of Board Governance will route to applicable chief administrators in order to coordinate a response.

Students need “whole child” support to become aware of the pathways to their careers of interest, they must be academically ready to follow those pathways, and they must be prepared with the life skills needed to navigate their chosen pathway. MPS coordinates available resources, including community organizations and postsecondary institutions, to support MPS faculty, families, and students in fostering a college-going culture. This department includes college and career planning, career and technical education, extended learning opportunities, and school counseling and academic planning. A listing of the current graduation requirements can be accessed on the MPS website at this link:

## Standards-Based Report Cards/Progress Reports

To ensure that parents/guardians are kept informed of their children’s progress in school, elementary and K–grade 8 parents will receive three standards-based report cards and three interim progress reports. Students do not receive a letter grade for each subject but will be provided with marks that indicate levels of proficiency. Traditional middle and high school report cards will be distributed to parents/guardians at the snapshot date and end of each semester, based on each school’s course schedule. High school report cards will include traditional letter grades and GPA.

Infinite Campus Parent/Infinite Campus Student apps are available for any smart device or personal computer, allowing full access to attendance, grades, schedules, report cards, transcripts, etc. Please contact the school's parent coordinator for assistance.

MPS continues to implement new, more rigorous standards for what every child should know and be able to do in each subject area and grade level.

The Standards-Based Report Card does the following:

- Provides accurate and meaningful information about a student's strengths, challenges, and performance
- Clarifies and reinforces consistent high expectations for students and schools
- Help teachers, students, and families focus on standards throughout the year
- Provides specific feedback toward the standards
- Allows students, families, and teachers to work together to set meaningful goals for improvement
- Provides information about a student's work habits, behaviors, and efforts

Achieving these college- and career-ready standards requires continuous monitoring of progress and additional support targeted to those who need it.

### **School Homework Policy**

Homework is an important part of the learning process that should be viewed as an opportunity for students to practice new skills and reinforce classroom lessons. Most homework is considered practice, which will not be graded. Instead, students will receive feedback that allows them to improve their skills before being graded. Some extended homework or projects may receive a grade or proficiency-level feedback.

Most homework is considered practice, which will not be graded. Instead, students will receive feedback that allows them to improve their skills before being graded. Some extended homework or projects may receive a grade or proficiency-level feedback.

Homework is an important part of the learning process that gives parents an opportunity to see what is being learned in school. Homework is a valuable formative assessment all teachers can use to focus on achievement. Homework is most effective when it covers lessons already taught.

The **homework policy of Wisconsin Conservatory of Lifelong Learning** is to assign homework as needed in all classes. Education research shows that assigning homework to high school students provides a boost to learning. As a result, homework feedback guides prepared readiness to meet Wisconsin Academic Standards specified as what students should know and are able to do in the classroom. Homework also develops self-reliance and resourcefulness which are requisite skills for post-secondary success.

### **Textbooks/Instructional Materials and Equipment**

All students will be provided with the necessary textbooks/instructional materials by the school textbook coordinator. All issued textbooks and instructional materials must be returned undamaged at the end of the school year or at the time of withdrawal. Chromebooks may be provided to students to use during the school day and/or to take home to support instruction. Chromebooks will be assigned to an individual student in the same way as a textbook, and it is the responsibility of each individual student to care for and appropriately use the Chromebook during the school year. As with textbooks, Chromebooks should be returned undamaged to the school at the end of the school year.

**Assessment**

The MPS Strategic Assessment Systems measure progress toward college and career readiness through formative, interim, and summative measures. We believe in ethical use of assessments and data, decisions based on facts, collaboration, and connectivity between curriculum, assessment, instruction, and continuous improvement. We are committed to providing accurate, timely, and meaningful data that is easily accessible and user-friendly for educators, parents, and the community. More information is available for families about the assessments given at each grade level at this link:

## SECTION 4: MAINTAINING A SAFE SCHOOL ENVIRONMENT

Our school is committed to providing a safe and effective learning environment. The safety of all students, teachers, and staff at our school is of utmost importance. It is the expectation that all district and school rules and policies be followed.

The MPS *Parent/Student Handbook on Rights, Responsibilities, and Discipline* is sent home with each MPS student at the start of each school year and is also available online at [mpsmke.com/rights](https://mpsmke.com/rights). This handbook provides families with detailed information regarding the MPS discipline policy.

### School Discipline Rules/Positive Behavioral Interventions and Supports (PBIS)

All students have the right to feel safe and the obligation to respect each other and all adults in and outside the school building. All students are expected to be at their best behavior in order to create a safe learning environment conducive to learning. Please contact your classroom teacher to learn about classroom-specific expectations, rules, and procedures.

## Lunch Behavior Expectations

## Playground Behavior Expectations and Procedures

- Students are always supervised by an adult.
- Follow the Tot Lot Rules posted on the fence.
- Students will not go outside during temperatures of 65 degrees or below.
- Students cannot go outside after a hard rain.
- No climbing fences, guardrails, or basketball poles.

## **School Bus Behavior Expectations and Procedures**

This information will give you a better understanding of what you as parents/guardians can do to help your child enjoy a safe bus ride to and from school.

Since the time before and after school is as crucial to your child's health and safety as the time during school, a safe bus ride is a key element of your child's education. A safe bus ride for your child is our main priority. However, we need your help. Parents, please review the following bus rules and safety guidelines with your child:

- **Remain seated at all times.**
- **Follow any directions given by the school bus driver.**
- **Respect your neighbor (no fighting, pushing, or shoving).**
- **Never throw objects on the bus or out of the bus windows.**
- **Keep head, hands, and arms inside the bus at all times.**
- **Profanity is not allowed.**
- **No yelling or shouting (loud noises distract the driver).**
- **Respect your neighbor's property when waiting for the bus.**

### ***Bus Disciplinary Procedures:***

Students who disobey bus rules will be subject to the same disciplinary actions as at school. If the student violates the bus rules, the driver will file a written report with your child's school. Parents will be notified when riders break the rules. A rider may have bus riding privileges suspended by school officials when the unacceptable behavior jeopardizes other passengers and the safe operation of the school bus.

### ***School Bus Stops:***

Parents/guardians should instruct their child not to cross the street diagonally or behind the bus. Parents picking up and/or dropping off students at the bus stop should park safely away from the stop but on the same side of the street as the bus stop to avoid the possibility of a student being hit by a vehicle while crossing the street. Parents should remind the child to stay out of the

**DANGER ZONE** *(the area in front of the bus, area in back of the bus, and the area around the side of the bus where the driver is unable to see the child).*

As the student nears their corner or drop-off site, the student should begin to gather belongings and wait for the bus to come to a complete stop.

After leaving the bus, the student is to remain on the sidewalk until the bus pulls away. This allows the child to have an unobstructed view of any oncoming traffic. The student should then proceed directly to their residence.

### ***Bus Accidents:***

School bus transportation is the safest form of passenger transportation. Bus drivers are specially trained and licensed as school bus drivers. School buses are regularly inspected to ensure that each bus meets all safety standards. If your child is involved in an accident, your school will contact you within 24 hours of the accident. If your child complains of an injury, seek medical attention immediately.

**Absence of a Responsible Person:**

**K3, K4, K5**, and certain students with special needs must be received by a responsible person when they leave the school bus at the end of the day. If there is not a responsible person to receive the child, the bus company will attempt to contact the parent or guardian. If unsuccessful, the company will transport the child to the **MPS Child Care Center at the MPS administration building, 5225 West Vliet Street**. The **Child Care phone number** is **(414) 475-8462**. The parent will be required to pick up the child from that location.

**If a parent receives three Absence of Responsible Person notices in a year, bus service for that child may be cancelled.**

***Emergency Contact Information:***

Bus companies may access the emergency contact information furnished to your child's school. This information is provided to them to help ensure the safe and timely return of children who may have become lost or confused. The bus companies are aware that any information they obtain is to be used only for that purpose and is to be treated in a highly confidential manner. Please be sure that this information is accurate and up to date. Notify your child's school of any changes.

***Behavior Problems on Bus:***

If you feel that your child's safety is being jeopardized by the behavior of other riders, you should contact your child's school.

***Inappropriate Driver Behavior:***

If you suspect that your child's bus driver is engaging in inappropriate behavior, you should first contact your child's bus company. If the problem continues, contact your child's school. If you notice a bus speeding or traveling in an unsafe manner, or the driver is talking on a cell phone, call Pupil Transportation Services at (414) 475-8922. Please note the name of the bus company, the bus number, and the time and location of the bus.

***Driver/Parent/Student Conflict Prevention Tips:***

Cooperation between parents and the bus driver will ensure a safe bus ride for all riders. Please follow these simple guidelines:

- Be at your child's stop on a regular basis and get to know the bus driver.
- Speak to the driver from the curb or sidewalk.
- Wait for all students to board before speaking to the driver.
- Do not board your child's bus unless authorized.
- Do not request route changes with the driver.
- Do not threaten the driver or other riders at the bus stop or on the bus.

**Milwaukee County Transit System Bus Pass Distribution Procedures**

Schools are responsible for the distribution of bus tickets and / or assistance in troubleshooting issues related to MCTS card usage. Most schools utilize yellow school buses as the student's primary means to and from school. Schools do, however, utilize MCTS bus cards for as-needed situations that require emergency rides home or for transportation after school events. Only students eligible for transportation services according to school board policy are to be issued transportation bus cards.

## SECTION 5: EXPECTATIONS

Our school is committed to providing a safe and effective learning environment. All students in the school must follow the Code of Conduct/Classroom Conduct and meet the following expectations:

### **Student Dress Code**

District or school uniform should be worn with the exception of where a guardian or school has opted out of the district uniform policy. Each individual school will address inappropriate attire if it disrupts the teaching and learning of others.

The following code applies to students dress each academic day from **8:00 a.m. to 3:25 p.m.**, as well as all school sponsored events. **The school administration will have final say in all dress code disputes.** If a dress code violation is deemed too inappropriate for a student to be in school, parents/guardians will be contacted to provide appropriate clothing. Students will then be admitted to class once they have on proper attire.

### **Why Does WCLL Have a Dress Code?**

The physical appearance of our students sets an important tone for the work of a school day. Maintaining an overall positive physical decorum depends upon a cooperative student body who takes pride in their personal appearance. Clothing that is neat, clean, and modest most accurately reflects the productive academic environment that our students encounter daily. Attire that may be popular or trendy in the current social culture may not necessarily be appropriate as school wear. The dress code is designed to guide students and their parents in making attire choices that are consistent with the values inherent in the mission of WCLL High School. Parents/guardians of WCLL High School students have a fundamental responsibility to reinforce expectations for proper dress. It is for these reasons that we expect our students to wear clothes that would be considered professional in a work environment. The only exception to the dress code policy is during special school events with administrative approval this includes spirit week, homecoming, etc.

## **WCLL DRESS CODE**

### **Inappropriate Personal Property**

Possession of personal property prohibited by school rules and otherwise disruptive to the teaching and learning of others such as food, beverages, laser pointers, electronic and communication devices, all toys, games, cards, large amounts of money, and expensive jewelry and jackets should not be brought to school. The school is not responsible for any lost or stolen items.

### **Equipment from Home**

All equipment needed for recess and physical education is furnished by the school district. Items such as balls, jump ropes, or other play equipment should not be brought to school and are not the responsibility of the school.

### **Cell Phones/Communication Devices**

While on premises controlled by Milwaukee Public Schools, students are not allowed to activate, use, or display electronic communication devices, such as cell phones and pagers, for a purpose other than an approved educational purpose. Violation of this rule will result in discipline according to district policy.

Individual schools may implement a cell phone collection process at the beginning of each school day to ensure that devices are not used by students. This process is implemented to protect the learning environment. Schools that collect devices will secure the device during the school day and return devices in an orderly fashion at the end of each school day. If devices are activated, used, or displayed in violation of this policy, they will be confiscated. If a student activates, uses, or displays a communication device to endanger the physical safety or mental well-being of others, the student will be recommended for expulsion. This includes capturing, distributing, displaying, sharing, and posting inappropriate images that disrupt the learning environment.

In the event that communication devices are brought to school, the school and school district will not be financially responsible for lost or stolen items.

### **Telephone Calls for Students**

It is the goal of our school to offer all students an environment of uninterrupted learning so that they can achieve academically. In order to protect learning, the school requests that if a parent/guardian needs to communicate with their child during the school day, they leave a message at the school office, which will convey the message to the student. If there is a home emergency, please ask to speak to an administrator.

### **Student IDs (Middle and High School)**

If a student loses their school ID, a replacement ID cost is \$1.00. Student IDs will be used to enter athletic events. High School students will begin scanning student IDs during lunch beginning October 1, 2023.

### **School Communication with Families/Family Newsletter**

Our school believes that it is important to keep parents informed of school news, services, activities, and events. The school will send regular correspondence to families. Families should also subscribe to the quarterly district eNewsletter for families on the bottom of the MPS home page.

When parents/guardians wish to contact their child's teacher, please call the main office at **(414) 304-6800** or the classroom at **the phone number listed on the WCLL 2025-2026**

**Staff Directory** to leave a voice message. The teacher will return the call.

### **Parent/Guardian Concerns and Visiting Your Child's Classroom**

Families are always welcome to observe their child's classroom. *Because the safety of all children is important to us, MPS requires that all visitors do the following:*

- A staff member must accompany any tour or visit to a classroom during instructional time.
- Staff must stay with the visitor to escort them back to the office once the observation concludes.
- Family members looking to meet with staff must schedule meetings in advance.
- Meetings should occur during non-instructional time to avoid disruptions to the school day.
- During meetings, conferences, and classroom visits, each student may have TWO visitors present, unless additional visitors are approved in advance. The school leader, or a designee, must approve any additional visitors.
- Meetings with families should be scheduled to take place in the office or another designated space that will not interfere with school activities.
- Visitors must always be accompanied by the school leader, or a designee, while touring a school.
- When dropping off items at school, students will be called to the office to meet visitors.

Lack of cooperation may constitute trespassing.

Our school believes in assisting parents/guardians in resolving any concern they may have. A parent may come to the school office to express either verbal or written concerns.

## SECTION 6: SCHOOL POLICIES AND PROCEDURES

### Census Verification Report

The Census Verification Report has replaced the Emergency Contact Card. The Census Verification Report is used to verify that the current guardian, household, and non-household contact information is correct. It is also used to identify any person listed in the household or non-household who **should not** be able to pick up a student. The Census Verification Report also lists current health conditions that have been entered into the student record. The parent/guardian either verifies that the household, demographic, and health information is accurate or makes the appropriate changes and returns the Census Verification Form to the school. It is important to complete and return the Census Verification Form at the beginning of the school year. When there is a change of address, phone number, or guardian at any time during the school year, these changes should also be communicated to the school in a timely manner as well.

### Breakfast and Lunch Procedures

All students are able to receive breakfast and lunch at no charge each day of the school year. However, if your child chooses not to participate in the meal program, they may bring a breakfast or lunch from home. Students are encouraged to bring nutritious foods such as fruits, vegetables, whole grains, etc.

Parents/guardians who want their child to be able to purchase additional milk or à la carte menu items to supplement the school meal or the meal from home may choose to set up an account at [www.MyPaymentsPlus.com](http://www.MyPaymentsPlus.com). The students may also give their money to **Ms. Kelly, Head Secretary in the WCLL main office**.

All schools have a closed campus for mealtimes. Students are not allowed to leave the building during their breakfast or lunch hour. Meal delivery services (DoorDash, Uber Eats, etc.) **are not allowed** for students during the school day. This includes meals ordered by parents/families for delivery to the school.

### Breakfast Procedures

K4-8 students enter the school building through Exit 7 doors on Highland Avenue. They will go straight to the cafeteria to eat breakfast. Field trips are an extension of units of study being taught by the teacher and become an essential part of the total learning experience for students. Field trips assist in the teaching and learning process and have learning objectives for these experiences. They are an important part of the students' education.

Our school encourages all students to participate. Parents/guardians must sign a permission form for each field trip and return it to the classroom teacher. The signed form will be filed at the school.

**Fundraisers**

Fundraisers are conducted by our school and parent organization to raise money for the benefit of our students and school. Student participation is voluntary with parental permission. Students participating in sponsored fundraising activities are not allowed to be involved in door-to-door sales.
