School Governing Board/School Engagement Members needed for 2024-2025 School Year

03/2024

Dear Whittier Families:

Whittier School needs Parents to serve on our School Governing Board/School Engagement Council for next school year.

Every school has a School Governing Board/School Engagement Council that enables parents, staff, students and the community to work together in facilitating quality educational plans that foster continuous improvement toward student achievement.

The purpose of the School Governing Board/School Engagement Council is to provide a forum for parents, teachers, community members, students and principals to work together in providing continued analysis and improvement of public-school policies, curriculum, school improvement plan goals and general student well-being.

Each Milwaukee Public School has a School Governing Board/School Engagement Council consisting of parents (51%), a student (K-8, middle and high schools), community representatives, school staff members and the principal.

The School Governing Board/School Engagement Council meets once a month, currently on the third Tuesday of each month, at 2:30 PM.

If you are interested in serving on the School Governing Board/S.E.C. for the 2024-2025 School year, please fill out the information requested below, and return to Whittier School or text Mrs. Mystrow at (414) 550-2209 or email her at mystroma@milwaukee.k12.wi.us. **Completed forms need to be returned by Monday, April 15th.**

If you have any questions, please feel free to call or email Mrs. Mystrow at mystroma@milwaukee.k12.wi.us
